Semi Frameless Shower Screen

A semi-frameless, pivot door shower screen will add to the elegance of your bathroom.

- 6mm toughened glass in either clear, frosted, patterned as well as coloured.
- Minimal anodised or powder coated aluminium frame work to blend in with your tiles and décor.
- Mirrors to match
- Made to measure in our factory to make installation hassle free.

Framed Shower Screen

Our framed shower screens are suited to all bathrooms and are more budget friendly

- Clear, frosted, patterned and coloured safety glass.
- Sliding as well as pivot doors.
- Anodised or powder coated aluminium frame work, once again to blend in with your tiles and decor
- Made entirely in our factory to fit any bathroom.
- Installation takes approx 5 working days after final measurement and usually takes about 1 hour to install
- Matching mirrors available

Frameless Shower Screen

Frameless shower screens can enhance your bathroom without the distraction of an aluminium frame.

- 10mm toughened glass.
- Channel or bracket fixing to the wall
- Self closing hinges.
- A large range of handle styles and finishes.
- Header bars and waterbars available.
- Soap and shampoo shelves to suit.
